

# 2020 NCTS South Workshop on Dynamical Systems

Date	<b>December 18 - 19, 2020</b>
Venue	Room 401, Wuyu Building, Minsheng Campus, NPTU

## Aim & Scope

The “2020 NCTS Workshop on Dynamical Systems” will take place on 18-19 December 2020 at National Pingtung University of Taiwan. This workshop includes around 6 50-minute and several 30-minute presentations. This workshop has been hosted since 2001 by NCTS. The aim of this annual workshop is to bring together active researchers from various fields of dynamical systems, to discuss recent and prospective advances in research. This year we have arranged talks centered on ergodic theory, epidemical dynamics, biological mathematics and differential equations.
